Mercer County	English Language Acquisition, Language Arts Literacy, Mathematics	Summit Learning Services provides the highest quality language arts and math tutoring in a variety of settings. Students can receive instruction in-home or at school any day of the week. Students typically receive tutoring for one to two hours a day, twice a week. Parents can select from one-on-one, small group instruction (2-4 students), or large group instruction (6-8 students). Our student teacher ratio is smaller than required by the state. This ensures that all students will receive the highest quality instruction. In fact, 60% of participating students received a score of "proficient" or higher in language arts literacy and math on last year's state proficiency exam.
